Final comments and FY outlook

2025 strategic priorities are:

- Restoring of profitability across all lines of the income statement
- Progressive reduction of net financial debt

All accomplished as planned:

- Adjusted EBITDA is expected to remain solidly positive in double digits despite less favourable revenue and currency mix landing around €40M
- Projected EoY net financial position is confirmed in improvement around €140M

Optimization of capex while maintaining a strict focus on efficiency without compromising product development and innovation
